LA TORTILLA

La Tortilla Factory,

the innovator in the healthy tortilla and wrap category, introduces a new, authentic Hand Made Style Corn Tortilla to its Sonoma line. The newest product is unique to the category, featuring a delicious blend of corn and wheat that delivers the pleasing sweet taste of corn with the soft, flexible texture of flour tortillas. Made with all-natural yellow corn, these tortillas provide 14 grams of whole grain, are preservative-free, have zero trans fats and only 80 calories per serving. The new line will soon be available at grocery retailers nationwide for a suggested retail price of \$2.59 for an eight-pack.
